REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims as amended, requiring a cellulose core of at least 50% comminuted paper particles coated with seeds in an adhesive, is not suggested in the prior art of record. The instant core is evident in Morris, 6523299, as a mulch to overlay seeds, but there is no rationale in the prior art of record for using this core coated with seeds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
